### **Sedgwick County Update: Commissioner Jim Howell**

- Covid news
  - Not any good news
  - Hospitals are full
  - Positivity rate continues upward trend
  - Wichita approved enforcement of Sedgwick County order
  - Bel Aire declined enforcement
  - Derby is taking it under consideration
  - County unveiled a new storybook dashboard
  - Saliva testing through WSU's MDL – 24 hour results
  - Health department still doing nasal swabs
  - New order from Dr. Minns expected tomorrow

Sedgwick County Association of Cities

### **Preserving the Service Life of Pavement: Council Member Pat Stivers (Maize)**

- State of Kansas
  - Fourth highest amount of lane miles in United States
  - Ranks in top five in quality of roads
  - Kansas does a good job in maintaining road conditions
  - \$524 million for road maintenance in Kansas
- Working within your local budget
  - Streets are a city's largest asset
    - Built over time
    - If not maintained, they will fail
    - Neglect leads to accelerated cracking and potholes
    - Crack sealing extends pavement life
    - Saves money in the long run
    - Ensures a smooth and safe driving surface
    - Keeps water out of base
    - Pavement preservation is cost effective
- Elements in a crack sealing program
  - Set goals
  - Measurements
  - Education
  - Attitude
  - Activities
  - Inspections
  - Promotions
  - Budgets
  - Do your best streets first and your worst streets last
- Starting or continuing a crack sealing program
  - Evaluate needs
  - Assessment of roadways
- Mastics: Used for large crack repair – Application equipment can be rented
- TechCrete: Flexible concrete – originally designed for airport applications
- Other surface treatments:
  - Patching
  - Chip Seal
  - Fog Seal
  - Slurry Seal – lasts 4-5 years
  - Micro-surfacing – polymer modified
  - Maintenance overlays
  - Ultra-thin, hot mixed overlays

### **Other Reports**

- Rainwater reported that negotiations are in the works through the Regional Economic Area Partnership (REAP) with the Groundwater Management District 2 (GMD2) Board of Directors. At the GMD2's annual meeting, the last remaining municipal representative was voted off the board. REAP is requesting an amendment to the GMD2 bylaws which will mandate fair representation based on water usage.
- Council Member Gregory reported that the Local Emergency Planning Committee is exploring software for hazardous waste emergencies for 13 fire districts. The committee is also setting up a mass training exercise for some time in 2021.

### **Adjournment at 7:17 p.m.**
