Sedgwick County Association of Cities

- The local portion of the funding is \$130 billion
 - Equally divided between cities and counties
 - For cities, \$45.5 billion of the \$65 billion will be allocated to metro cities (pop. over 50,000) utilizing a modified formula
 - The remaining amount for smaller jurisdictions (pop. under 50,000) will be allocated according to pop. share but will not exceed 75 percent of their most recent budget.
- Payments to local governments will be made in two tranches - first half 60 days after enactment, second half one year later
- Eligible uses include:
 - To respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality
 - To respond to workers performing essential work during the COVID–19 public health emergency by providing premium pay to eligible workers of the State, territory, or Tribal government that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work
 - For the provision of government services to the extent of the reduction in revenue of such State, territory, or Tribal government due to the COVID–19 public health emergency relative to revenues collected in the most recent full fiscal year of the State, territory, or Tribal government prior to the emergency
 - To make necessary investments in water, sewer, or broadband infrastructure
- Two restrictions on eligible uses
 - Funds cannot be used to directly or indirectly offset tax reductions or delay a tax/tax increase; funds cannot be deposited into any pension fund
 - Funding available through and must be spent by end of calendar year 2024
- Kansas Direct Allocations

Sedgwick County Association of Cities

- Considerations:
 - Temporary Funds – Use for non-recurring spending
 - Needs Assessment
 - Notice of Funding Opportunity (NOFO)
 - Strategic Use of Funds
 - May be planned already
 - Alternative Sources of Funds
 - Collaboration among units of government and regional organizations through community taskforce
 - Laura Rainwater represents Sedgwick County Cities on the taskforce
 - Any elected official from Sedgwick County Cities may participate
 - Other funding opportunities – Grants through other buckets of money
- Shelton will consult with County leaders to determine if Sedgwick County Cities can piggyback on Sedgwick County's consulting agreement with Witt O'Brien
- Funds may be deposited into an interest-bearing account, but that interest must be spent under the same eligibility requirements

Wrap Up: Chairman John McIntosh

- A. Election of SCAC officers to occur at the May 20, 2021 meeting
 - Any elected official interested in running for office, please contact Council Member John McIntosh or SCAC Executive Director Laura Rainwater
 - Council Member Bob Rardin (Haysville) suggested keeping the current slate of officers
- B. Sedgwick County Solid Waste Management Committee Report: Randy Parker and Council Member Tom Jones (Park City)
 1. SWMC Meeting on Monday, April 5, 2020 at the Public Works Building on Seneca
 2. Tom Jones for SCAC 2nd Class Cities and Randy Parker for SCAC 3rd Class Cities were sworn in by the County Clerk's Office
 3. Waste Tire Collection Event in April 2021
 - April 22nd, 2021, 9 AM to 3 PM, Businesses and Governments ONLY, Sedgwick County West Yard at 4701 South West Street
 - April 23rd and 24th, 2021, 9 AM to 3 PM, Residents ONLY, Sedgwick County West Yard at 4701 South West Street
 4. Cindy Le of the Sedgwick County Dept. Of Environmental Resources (DER) gave a presentation on the 2020 E-Waste Event: it was a huge success and was held at the County West Maintenance Yard
 5. Susan Erlenwein presented the 2021 Solid Waste Plan Update
 - This is earlier but the BOCC wanted to have the SWMP updated before they set the amount of the Solid Waste Fee (\$7.80 in 2021, used to fund programs like the E-Waste Event, Tire Roundup, and this year an expansion of the Household Hazardous Waste Facility)
 - The plan provides the latest updates on the SWMP including demographics, major components of the SWMP, etc
 - The DER recommended that the BOCC approve a Solid Waste Management KDHE Permit modification for Evergreen Recycling in Park City. Parker and Jones questioned if Park City had been included in this modification. Erlenwein said that the Mayor of Park City signed off on the modification.
 - The DER recommended that the BOCC approve a Solid Waste Management KDHE Permit modification for Waste Connections Transfer Station to become a KDHE permitted Tire Collection Center, Waste Connections is currently a KDHE permitted Tire Transporter
